

# Austin Benedict

Currently a supporting instructor at BC Skills Development Academy working towards a career in web development. I'm excited about the wide range of possibilities available in development and I'm eager for the opportunity to continue to grow in this field. Organized and self-motivated, comfortable completing tasks on my own or in a team setting.

Check out my portfolio:

## EXPERIENCE

### BC Skills Development Academy — *Supporting Instructor*

January 2021 - Present

Assist the lead instructor by developing relationships with students at my remote campus and making sure they understand course materials while helping them achieve their web development goals after the class ends. Course materials include HTML, CSS, SCSS, Bootstrap, and Javascript as well as resume and brand development.

### BC Skills Development Academy — *Student*

AUGUST 2020 - DECEMBER 2020

Studying web development using various tools such as HTML5, CSS, SCSS, Bootstrap, Javascript, React, npm, Axios, Node.js, Express, MongoDB, and SQL. Working towards a future in front-end development.

### Frothy Monkey, Nations — *Manager*

APRIL 2019 - OCTOBER 2020

Responsible for managing Front of House(FOH) shifts as well as Barista and some bartender work. Also responsible for logging cost of goods (COGs), organizing bank deposits, issuing tips to staff, and placing orders for FOH supplies within a budget.

### Dylan Scott — *Stage Manager*

AUGUST 2017 - FEBRUARY 2019

Responsible for stage setup/teardown of LED walls and instruments. Oversaw tracks rig and in-ear monitor levels. Extra attention to drum setup, cleaning, and tuning.

## EDUCATION
